Summary of reasons for revocation — CONTEXT SCRIPTURE TRANSLATING SOCIETY

The Canada Revenue Agency's (CRA) audit has revealed that the Organization is not complying with the requirements set out in the Income Tax Act. In particular, it was found the Organization failed to devote resources to charitable activities; lacked direction and control over the resources it transferred to one of its directors and over the conduct of the activities to be undertaken; **provided an undue benefit to one of its directors**; did not issue official donation receipts in accordance with the Act or its Regulations; and did not maintain adequate books and records. For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in subsection 168(1) of the Act.
