Summary of reasons for revocation — LIGUE INTERNATIONALE DES SCIENTIFIQUES POUR L'USAGE DE LA LANGUE FRANCAISE

[Translation] The Canada Revenue Agency's (CRA) audit has revealed that the Organization is not complying with the requirements set out in the Income Tax Act. In particular, it was found that the Organization failed to devote all of its resources to its own charitable activities; conducted political activities exceeding the limit; conducted partisan political activities; gifted its resources to non-qualified donors; failed to issue receipts in accordance with the Act; failed to file an Information Return as required by the Act; and failed to maintain adequate books and records. For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in subsection 168(1) of the Act.
