Summary of reasons for revocation — ELDER CONNECTIONS

The Canada Revenue Agency's (CRA) audit has revealed that Elder Connections (the Organization) is not complying with the requirements set out in the Income Tax Act. In particular, it was found that the Organization did not devote all its resources to charitable purposes and activities, **provided personal benefits to the Executive Director**, and failed to maintain proper books and records. For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in section 168(1) of the Income Tax Act.
