

U.S. Tax Return for 2014 & CRA audits

From VIVIAN KRAUSE

To Ross McMillan

Mr. McMillan,

I am writing, as I have in the past, to request a digital copy of Tides Canada's U.S. tax return for 2014.

I would also like to inquire about the outcome of the CRA's audits of Tides Canada Foundation and Tides Canada Initiatives Society. Earlier this year, the CRA announced that it had informed five charities of the CRA's intention to revoke their charitable status. I would like to inquire as to whether either Tides Canada Foundation and/or Tides Canada Initiatives Society are among the charities who were informed by the CRA that it intends to revoke their charitable status.

Sincerely,
Vivian Krause
