## Summary of reasons for revocation — FONDS WALDORF CANADA / WALDORF CANADA FUNDS

[Translation] The audit by the Canada Revenue Agency (CRA) has determined that the Organization is not complying with the requirements set out in the Income Tax Act (the Act). More specifically, she revealed that the Organization did not use its resources for charitable purposes, **gave an unjustified private benefit to a director**, and filed an inaccurate registered charity information return (T3010). For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in subsection 168(1) of the Act
