Summary of reasons for revocation — KOREAN FEDERATION OF CANADA MISSIONS SOCIETY

Our audit revealed the Korean Federation of Canada Missions Society (the Organization) primarily **operates for the purpose of providing undue benefits to its directors**, and has failed to demonstrate that it operates as a charitable organization devoting all its resources to charitable activities. **An insufficient separation between the Organization's operations and the personal interests of those responsible for its operation were also revealed.** The Organization failed to maintain and failed to provide adequate records to support the activities and amounts reported on its annual information returns. As a result, the Organization was unable to substantiate the activities undertaken by it or to provide support that the personal living expenditures incurred were for charitable activities.
