RE: Gifts to Faith-Based Organizations

As presented on the attached pages, I have found that CHIMP has reported gifts to **more than 100 faith-based organizations for at least \$20 million since 2011.**

On the basis of my analysis, it appears to me that as a category, CHIMP funds more organizations of the Christian faith than any other category of organization. Is this correct? If not, please let me know.

Also, from your records, would it be possible for CHIMP to provide a complete list of its gifts to faith-based organizations since 2011?

Sincerely,
Vivian
