Mr. Draimin,

According to information from Capital Research, in Washington D.C., Tides Canada has received at least \$US 8.1 million from American foundations, as follows:

David and Lucille Packard Foundation - \$4,069,908  
William & Lucille Hewlett Foundation - \$1,335,000  
tides Foundatioin - \$1,077,809  
Gordon and Betty Moore Foundation - \$777,285  
Wilburforce Foundation - \$350,000  
Mark Torance Foundation \$225,920  
Ford Foundation - \$125,000  
Rockefeller Brothers Fund - \$100,000  
Brainerd Foundation - \$80,000

Is the above information correct?

I would like to inquire as to how much if any of this funding has been re-granted from the Tides Canada Foundation to the Coastal Alliance for Aquaculture Reform or its member organizations.

I would appreciate a response from you during the course of this week.

I can be reached at 604.219.5905 at your convenience.

Sincerely,  
Vivian Krause
