Mr. Millar,

As you know, I tried to speak with you yesterday by telephone but before I could even introduce myself, you told me that you wouldn't speak with me, and hung up.

For several weeks, I have been trying to inquire about your role in Christy Clark's campaign. My questions are:

- 1) What was the extent of your involvement in Christy Clark's campaign? In particular, were you involved in the social media for Christy Clark's campaign?
- 2) Is Tides Canada concurrently a client of FD Element?

As I believe that my questions are a matter of public interest, I will post this e-mail at my blog: www.fair-questions.com.

At your convenience, you can reach me at 604.618.8110.

Sincerely,
Vivian Krause

Ms. Clark,

I am writing to let you know that I have not received a response to my question regarding the involvement of Don Millar, the CEO of FD Element, in your campaign. Sean Holman reports that Mr. Millar is helping you out with "on-line stuff." Is this true? What exactly is the role of Mr. Millar in your campaign?

Sincerely,
Vivian Krause

Ms. Clark,

I am writing to let you know that I don't seem to have received any response from you with regards to my inquiry of Feb. 10.

According to Public Eye On-Line, you are receiving some sort of support from FD Element. Sean Holman reports that the CEO of FD Element is "helping out with on-line stuff." Is this true?

I have noted that FD Element's clients include the U.S. League of Conservation Voters, as well as the Great Bear Rainforest Initiative. Maybe I'm wrong, but it would surprise me if FD Element would support you if your platform is at odds with the goals of the Great Bear Rainforest Initiative - one of which is to block oil tanker traffic on the north

coast of B.C.

In light of the importance of the Northern Gateway Enbridge Pipeline to British Columbia, and to Canada, and also your apparent support from FD Element, I believe that it is fair for me to re-iterate my inquire about your position with regards to this pipeline.

You may reach me anytime at 604.618.8110.

Sincerely,
Vivian Krause

Ms. Clark,

I am writing to inquire as to your position on the Northern Gateway Pipeline. If you were to become Premier of British Columbia, would you support the development of this pipeline?

In advance, thank you for your response to my question.

Sincerely,
Vivian Krause
