Summary of reasons for revocation — METRO STREET FOCUS ORGANIZATION

It is the view of the Canada Revenue Agency (CRA) that donation receipts have been improperly issued for amounts greater than the amounts donated, receipts were issued for transactions that do not qualify as gifts or are otherwise not in accordance with the Income Tax Act and its Regulations; adequate records to support charitable activities and operating costs were not maintained; and **income was used for the personal benefit of the director**. For all of these reasons, and for each of these reasons alone, it is the position of the CRA that the charitable registration of the Organization should be revoked.
