## Summary of reasons for revocation — CANADIAN FRIENDS OF KASHAU

The audit by the Canada Revenue Agency (CRA) has revealed that the Organization is not complying with the requirements set out in the Act. In particular, it was found that the Organization failed to devote resources to its own charitable activities; **transferred resources to non-qualified donees**; failed to file its annual Registered Charity Information Return since 2008; failed to maintain adequate books and records; and issued receipts not in accordance with the Act and its Regulations. For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in subsection 168(1) of the Act.
