## Summary of reasons for revocation — NON-PROFIT CATALYST FOR WATER, AIR, LAND & LIFE TRANSFORMATION CORPORATION

The audit by the Canada Revenue Agency (CRA) has revealed that the Organization is not complying with the requirements set out in the Income Tax Act (Act). In particular, it was found that the Organization failed to devote resources to charitable purposes and activities; provided false information for the purpose of obtaining registration; acted as a conduit; gifted resources to non-qualified donees; failed to maintain adequate books and records; **provided its income for the personal benefit of a member**; issued donation receipts not in accordance with the Act and/or its Regulations; and failed to file an information return as and when required by the Act. For all of these reasons, and for each reason alone, it is the position of the CRA that the Organization no longer meets the requirements necessary for charitable registration and should be revoked in the manner described in subsection 168(1) of the Act.
