

Tax-Receipted **Non-Cash** Gifts: Top 20 Registered Charities In Canada

Last year, the top 20 registered charities that received non-cash gifts issued tax receipts for \$1.9 billion for non-cash alone.

These figures show that among the charities that report large, non-cash gifts (real estate, life insurance premiums, cryptocurrency, securities, etc), non-cash accounts for a high percentage. For 2021 and 2022, non-cash accounted for 78% and 65% of total, tax-receipted gifts among the top 20 charities that reported tax-receipted, non-cash gifts. Note that these figures do not show the top 20 of all Canadian charities.

These figures show the top 20 when ranked according to non-cash tax-receipted gifts.
