INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Members of Stewart & Marilyn Blusson Foundation

We have reviewed the accompanying financial statements of Stewart & Marilyn Blusson Foundation (the "Foundation") that comprise the statement of financial position as at November 30, 2020, and the statements of changes in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

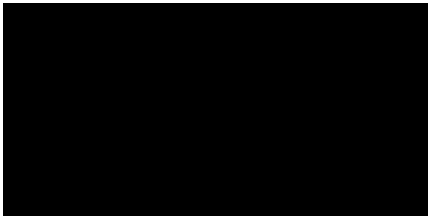

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Stewart & Marilyn Blusson Foundation as at November 30, 2020, and the results of its operations and its cash flows for the year then ended in accordance with ASNPO.

Notes to Financial Statements

Year Ended November 30, 2020

1. PURPOSE OF THE FOUNDATION

The Stewart & Marilyn Blusson Foundation (the "Foundation") is incorporated under the Canada Not-for-Profit Corporations Act. As a registered charity under the Income Tax Act, the Foundation is exempt from income taxes.

The purpose of the Foundation is to distribute gifts to qualified donees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Revenue Recognition

The Foundation follows the deferral method of accounting for contributions.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Externally restricted amounts can only be used for purposes designated by the contributor. Contributions externally restricted for the purchase of capital assets are deferred and amortized into revenue on the same basis as the related capital assets' amortization.

Unrestricted contributions are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Cash and Cash Equivalents

Any term deposits or similar contractual instruments that are cashable and have a maturity term of three months or less are classified as cash equivalents.

Financial Instruments

All financial instruments are initially recorded at their fair market value. Publicly traded equity instruments quoted in an active market are subsequently measured at fair value with any unrealized gains or losses and transaction costs recognized in net excess of revenue over expenses. All other financial instruments are adjusted for any transaction costs incurred on acquisition and are subsequently measured at their amortized cost. Financial instrument impairments and impairment reversals are recognized when incurred in net excess of revenue over expenses.
