Your space to build a brighter future

An Impact Account is like an online bank account for charitable giving. Support any registered charity in Canada and manage your giving the way you want to.

01

Find charities

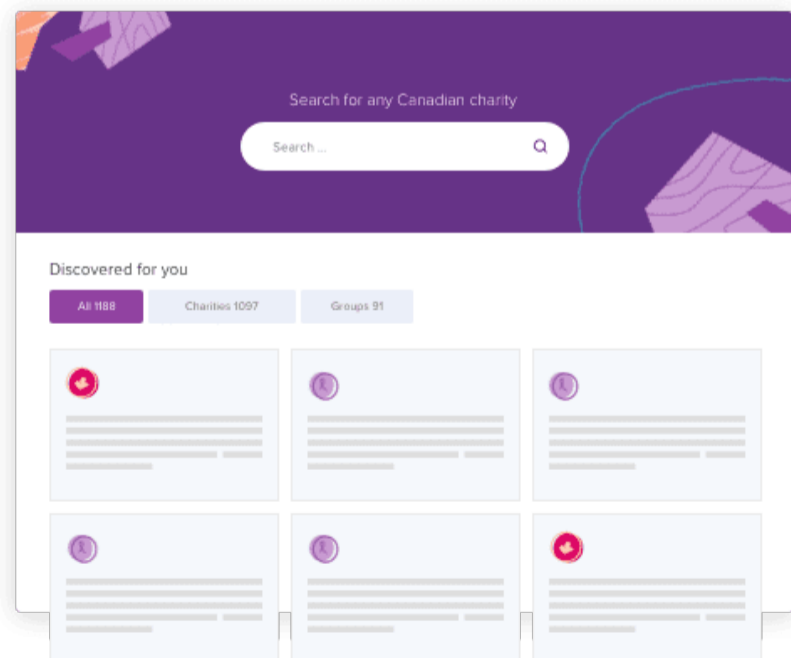

Find charities that match your interests and learn more about what they do.

Add money

Add money to your account, then take as much time and space as you need to decide which charities to support.

Give

Give to your favourite charities from your account now, or save some of your charitable dollars and build your impact over time. The choice is yours.
