Mr. McMillan & Mr. Thomson,

The list of grants that I have compiled from the on-line database of the Moore Foundation, is shown below and posted at my blog: www.fair-questions.com.

According to my calculations, the Gordon & Betty Moore Foundation has granted at least \$26.6 million to Tides Canada. Is this correct?

As before, I can be reached at 604.618.8110.

Sincerely,
Vivian Krause
