Thank You & Farewell

THANK YOU & FAREWELL

To our community,

The realities of trying to operate this complicated and dynamic business were difficult. With the added pressures that the COVID-19 pandemic put on Fortius Sport & Health, and many other businesses, it became something we could no longer sustain.

On December 15, we announced an agreement with the City of Burnaby for the purchase of the Fortius facility. The City intends to operate the facility as a recreation centre. Read the [full announcement here](#).

On December 31, 2020, we closed Fortius' business operations.

We know many of the Fortius team will carry our vision and mission forward in their next pursuits. Visit our [team member contact page](#) to find their next locations.

We were fortunate to be supported by members and partners that were genuine, like-minded and who shared our passion for sport and health. We cannot express how grateful we are for your loyalty and support over the last seven years.

It was our pleasure and privilege to help so many of you optimize your health, fitness and sport performance.

IMPORTANT: Our retail partner, [Fit First Footwear](#), remains open in its same location within the facility and are dedicated to providing the products and service you've enjoyed since 2013

Yours in sport and health,

The Fortius Team

GAME CHANGING. LIFE CHANGING.
