Additional Information:

The audit by the CRA found that the Organization is not complying with the requirements set out in the Act. Although the Organization corrected its previous non-compliance, it committed multiple new serious breaches of the Act which demonstrates a continuous pattern of non-compliance. In particular, the current follow-up audit found that the Organization is not constituted and operated exclusively for charitable purposes, failed to devote resources to charitable activities carried on by the Organization itself, failed to maintain adequate books and records, failed to issue donation receipts in the accordance with the Act and/or its Regulations, and failed to file an information return as and when required by the Act and/or its Regulations. For these reasons, it is our position that the Organization no longer meets the requirements for charitable registration.
