Ongoing programs

CHIMP: Charitable Impact Foundation (Canada)'s mission is to nurture people to think, act, and feel like philanthropists. With a focus on empowering people to give easily and confidently, Charitable Impact operates as a donor-advised fund through which any individual, company, or group can quickly create and manage their own charitable giving account online. Here's how it works: people can make donations into their giving account with Charitable Impact at any time and receive an immediate tax receipt in return. They can then easily grant any amount of their donated dollars to any registered charity (or other qualified donee). Donors can also use their donated dollars by sending them to another person or Giving Group with Charitable Impact for them to give away charitably. Disbursements from Charitable Impact to charities are reviewed, approved, and distributed at least weekly for recipients registered to receive gifts by direct deposit and at least semi-monthly for those receiving by cheque.
