NOTE: For Assets for the Advancement of Soborshko and Altruist Foundation, there is a discrepancy in total revenue between financial statements and tax returns. NOTE: For 4 What Matters Foundation, financial statements for 2012 are not available. Financial statements for other years. It appears that \$20,000 on software was written off in 2013. NOTE: For Mighty Oaks Foundation, a software asset with a reported value of \$200,000 (2013) was either written off or gifted to another charity. See financial statements.
