List of Tables

ALL FIGURES IN CANADIAN DOLLARS UNLESS SPECIFIED AS U.D. DOLLARS

1. The Gordon & Betty Moore Foundation: Assets, Revenue & Expenditures (2002 – 2017)
2. Summary: Grants from The Gordon & Betty Moore Foundation to Organizations Operating in Canada
3. List: Totals Granted to 65 Organizations Operating in Canada
4. List by Issue: Grants from The Gordon & Betty Moore Foundation
5. Recipient Organizations of \$267 Million from The Gordon & Betty Moore Foundation (2003 - 2019)
6. Overview by Issue: Amounts Paid to Tides Canada Foundation/Tides Canada Initiatives Society
7. Amounts Paid to Tides Canada Foundation/Tides Canada Initiatives Society (Details)
8. Amounts Paid for the Campaign Against Farmed Salmon & Salmon Farming in British Columbia
9. \$59 Million For Work Specifically With First Nations & Inuit
10. Payments of More Than \$1 Million For Work Specifically With First Nations & Inuit
11. \$25 Million Paid to Coastal First Nations/Great Bear Initiative Society
12. Amounts Paid for Environmental Conservation Specifically in Northern British Columbia (Summary)
13. \$25 Million Specifically for Work in the Skeena Region (Summary)
14. \$25 Million Specifically for Work in the Skeena Region (Details)
15. \$80 Million from the Gordon & Betty Moore Foundation for Marine Planning (Summary)
16. \$80 Million for Marine Planning (Details)
17. \$25 Million for Purposes Related to Marine Planning (Details)
18. \$11 Million for Work in Nunavut and the Canadian Arctic
19. \$45 Million Granted to U.S. Organizations for Activism in Canada (Summary)
20. \$45 Million Granted to U.S. Organizations for Activism in Canada (Details)
21. By U.S. City: \$45 Million Granted to U.S. Organizations for Activism in Canada
22. Pew Charitable Trusts: \$17 Million from The Gordon & Betty Moore Foundation to Pew (2005 - 2017)
23. New Venture Fund: \$4 Million for Activism in Canada
24. World Wildlife Fund Canada: \$17 Million from The Gordon & Betty Moore Foundation (2006 - 2019)
25. West Coast Environmental Law: US\$3.7 Million from Gordon & Betty Moore Foundation (2014 - 2017)

Table 1. The Gordon & Betty Moore Foundation: Assets, Revenue & Expenditures (2002 - 2017)

Table 3. List: Totals Granted to 65 Organizations Operating in Canada

Recipient Organization	Sub-Total
1 Tides Canada	\$72,862,704
2 Coastal First Nations / Great Bear Initiative Society	\$21,702,364
3 World Wildlife Fund Canada	\$14,598,119
4 Pew Charitable Trusts	\$14,385,000
5 Living Oceans Society	\$7,193,291
6 Vancouver Aquarium Marine Sciences Centre	\$6,727,848
7 Pacific Salmon Foundation	\$6,473,421
8 University of British Columbia	\$5,355,846
9 Round River Conservation Studies	\$4,425,000
10 Ocean Conservancy	\$4,250,000
11 Nanawakolas Council	\$4,187,955
12 West Coast Environmental Law Research Foundation	\$3,770,145
13 Westcoast Aquatic Management Association	\$3,628,464
14 New Venture Fund	\$3,365,902
15 David Suzuki Foundation	\$3,305,990
16 University of Guelph	\$3,286,528
17 Bulkeley Valley Centre for Natural Resources Research & Management	\$3,161,340
18 Middle Bay Aquaculture	\$3,105,876
19 EcoTrust Canada	\$2,854,115
20 Canadian Parks & Wilderness Society (CPAWS)	\$2,768,471
21 Green Fire Productions	\$2,672,137
22 T. Buck Suzuki Foundation	\$2,592,616
23 Watershed Watch Salmon Society	\$2,512,071
24 Skeena Wild Conservation Trust	\$2,272,654
25 Simon Fraser University	\$1,976,832
26 Conservation Fund	\$1,750,000
27 Aquaseed/Sweetspring Salmon Inc.	\$1,640,474
28 Wild Salmon Center	\$1,585,336
29 National Environmental Trust	\$1,525,000
30 STAND (formerly Forest Ethics)	\$1,510,073
31 University of Victoria	\$1,432,043
32 Northwest Institute for Bioregional Research Society	\$1,304,982
33 Raincoast Conservation Foundation	\$1,149,876
34 Nature Conservancy	\$1,069,084
35 Pembina Foundation for Environmental Research & Education	\$1,039,627
36 Skeena Watershed Conservation Coalition	\$1,018,585
37 Oceana Canada	\$1,000,000
38 B.C. First Nations Fisheries Council	\$986,368
39 The Canadian Institute for Advanced Research	\$846,456
40 Earthlife Canada	\$810,000
41 Sierra Club of B.C.	\$775,000
42 Canadian Environmental Grantmakers Association/Network	\$700,000
43 B.C. Wildlife Federation	\$662,487
44 Driftwood Foundation Society	\$626,254
45 University de Sherbrooke	\$625,000
46 Kitasoo-Xaisxais Band Council	\$566,447
47 SeaWeb	\$560,000
48 B.C. Spaces for Nature	\$462,280
49 Rivers Without Borders (c/o Tides)	\$447,006
50 Dalhousie University	\$443,121
51 Hartley Bay Village Council	\$324,413
52 Nature Canada	\$300,000
53 S.O.S. Marine Conservation	\$253,524
54 McGill University (Royal Institution ...)	\$248,454
55 Environmental Aboriginal Guardianship Through Law & Education	\$208,085
56 North Pacific Anadromous Fish Commission	\$206,000
57 Perimeter Institute for Theoretical Physics	\$185,000
58 Institute for Journalism and Natural Resources	\$145,000
59 Inuit Circumpolar Council Canada	\$124,975
60 Gitga'at Lands & Resources	\$108,713
61 Atlantic Salmon Federation	\$75,000
62 EcoTrust USA	\$71,186
63 World Federation of Science Journalists	\$60,000
64 Memorial University of Newfoundland	\$0
65 University of Alberta	\$0
Total: \$230,280,538

							Total:	\$230,280,538	

Source: Compiled from the on-line database and the U.S. tax returns of The Gordon & Betty Moore Foundation as of March 31, 2019.

NOTE: The total for the grants listed here and the total of all amounts paid, as reported in the tax returns for the Moore Foundation is not exactly the same for several reasons. Some of the amounts paid as reported in the tax returns are unrelated to any grant; typically these amounts are relatively small.

Table 7. Amounts Paid to Tides Canada Foundation/Tides Canada Initiatives Society (Details)

Program	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	Approved 2017 For Future Payment
Wild Salmon																	
The Salmon Initiative	In support of a Donor Advised Fund that supports the Salmon Initiative in BC, Canada.	\$350,000	\$300,000	\$300,000													
Small Grants Fund	Small Grants Fund			\$200,000	\$200,000	\$200,000	\$395,910										
	In support of an agile mechanism for timely small scale investments in grassroots activities aimed at protecting wild salmon in British Columbia. The goal is to capitalize on time-limited opportunities to advance identified strategic outcomes of the Wild Salmon Ecosystems Initiative.							\$572,626	\$669,871								
An "Agile Mechanism"	To support an agile mechanism for timely small-scale investments in local, community-driven activities aimed at protecting wild salmon in British Columbia.							\$293,444	\$293,290	\$981,200	\$881,296	\$1,190,772					
	An agile mechanism for timely, small-scale investments in activities aimed at securing resilient and productive marine ecosystems in British Columbia									\$299,971							
	To support implementation of the Gitanyow First Nation land use plan and the Kitwanga sockeye salmon recovery plan									\$224,644							
Gitanyow Salmon Recovery	To support implementation of the Gitanyow First Nation land use plan and the Kitwanga sockeye salmon recovery plan									\$2,019,500	\$100,000	\$119,500					
Wild Salmon Protection	To strengthen the durability of protection measures for wild salmon ecosystems of B.C.												\$10,000,000				
	To support Tides Canada's capacity to sustain wild salmon ecosystem conservation in B.C.																
North Coast of B.C.	In support of the Rainforest Solutions project.		\$400,481														
Great Bear Rainforest	British Columbia Salmon Conservation - Great Bear Rainforest				\$5,842,736												
Rainforest Solutions Project	Great Bear Deal Implementation / Coast Opportunities Funds Start-up				\$529,629												
	To support communications, government relations, policy development and direct strategic work with the Taku River Tlingit First Nation, leadership to help them maintain the integrity of the Taku River Watershed.		\$150,260	\$127,265													
Taku River Watershed	Taku Watershed Conservation, Salmon Habitat Protection				\$159,128												
	Strategic Acquisition of Guide Outfitter Operating in Taku Watershed				\$655,000												
	To support the Taku Tlingit First Nation in implementing wild salmon conservation provisions of the Atlin-Taku Land Use Plan and the associated government-to-government shared decisions-making agreement								\$1,981,586								
	To support Tides Canada Foundation's Tlabin Conservation Fund to support the Taku Tlingit First Nation implementing wild salmon conservation provisions of the Atlin-Taku Land Use Plan and the associated government-to-government shared decision making agreement									\$353,115	\$98,800						
Silkline Watershed	Taku Watershed Conservation Salmon Habitat Protection					\$155,532											
	Silkline Conservation Network			\$250,000		\$250,000											
Skeena Watershed	Skeena Harvest Reform				\$595,228												
	In support of the project titled, "Skeena Integrated Management Reform"					\$909,767	\$902,172										
	In support of the SKEENA WILD Economic Transition Strategy					\$48,000											
	In support of the Headwaters Initiative project to coordinate a unified articulation of First Nations expectations for their role in the management of cumulative impacts of development in the wild salmon ecosystems in the Skeena region of British Columbia									\$243,337	\$243,337						
Tahltan First Nation	To strengthen the capacity of the Tahltan First Nation to contribute to land use planning and management in the Skeena, Nass and Silkline Headwaters area										\$566,293		\$1,595,169				

Table 8. Amounts Paid for the Campaign Against Farmed Salmon & Salmon Farming in British Columbia

Program & Recipient Organizations	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017

Table 16. CAN\$ 80 Million for Marine Planning (Details)

	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019
Tides Canada	In support of the project titled, "Informing Area-Based Management Through Collaborative Scientific Analyses"	\$404,050	\$404,050	\$404,050										
	In support of the project titled, "Informing Area-Based Management Through Collaborative Scientific Analyses"		\$681,250	\$15,002	\$195,053									
	In support of the project titled, "securing the PNCIMA ABM process through an ENGO strategy plan"			\$1,241,630										
	In support of the project titled, "Developing an innovative Oceans Partnership to support the PNCIMA I Initiative."				\$523,037									
	To support the Pacific North Coast Integrated Management Area Initiative to Produce an integrated marine management plan.					\$2,781,284								
	For development of a multi-sector partnership in support of a marine spatial planning process in the Pacific North Coast Integrated Management Area					\$213,095								
	To support the Marine Planning Partnership for the North Pacific Coast to produce four sub-regional marine use plans and a common regional marine use plan						\$3,911,375	\$1,475,181						
	To enable the Tides Canada initiatives to administer the British Columbia Marine Conservation Analysts (BCMCA) project. The BCMCA project will have its collaborative peer-reviewed, and expert-driven products with marine spatial planning processes.						\$231,756	\$215,072						
	To support the British Columbia marine planning fund and the B.C. community-based marine conservation fund (collectively, the community advised funds), two community advised funds that provide agile mechanisms for timely, small-scale investments in activities aimed at securing conservation and sustainable use through ocean planning in British Columbia.									\$310,000	\$310,000	\$310,000	\$200,000	\$100,000
	To support implementation of the marine planning partnership (MaPP) ocean plan to protect the marine environment, create opportunities for sustainable economic development, and support the well-being of coastal communities										\$2,500,000	\$2,500,000	\$2,700,000	\$556,835
Canadian Parks & Wilderness, B.C. Chapter	Advancing MPA dialogue and practice	\$179,235		\$31,618										
	Provincial government engagement in marine spatial planning				\$95,564	\$16,856								
	In support of developing technical analyses for marine spatial planning and the Pacific North Coast Integrated Management Area Initiative					\$158,610	\$168,724							
	Technical support for marine spatial planning and implementation						\$344,744	\$305,993	\$49,270					
In support of ocean plan implementation									\$557,397	\$403,218	\$356,606			

Table 16. CAN\$ 80 Million for Marine Planning (Details)

	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019
West Coast Aquatic Management Association	\$3,647,817	Securing area-based management in the west coast Vancouver Island coastal-marine ecosystem	\$173,584	\$284,830		\$36,345								
		In support of the west coast Vancouver Island marine spatial planning process				\$10,000								
West Coast Environmental Law	\$1,250,000	In support of development of a regional marine spatial planning framework and to complete a pilot marine spatial plan in Clayoquot Sound			\$378,021									
		To support progress towards implementation of an ocean plan for the west coast of Vancouver Island					\$579,288	\$522,563	\$530,328	\$223,485	\$300,000	\$300,000	\$300,000	
World Wildlife Fund Canada	\$9,717,216	To support ocean planning in British Columbia								\$400,000	\$200,000			
		To strengthen the opportunities and capacity for protecting wild salmon habitat in British Columbia									\$500,000			
Green Fire Productions	\$375,000	To advance ecological outcomes nationally in Canada through ocean policy.											\$150,000	
		Science and stakeholder participation in resource management	\$692,290	\$526,081	\$437,712									
Nature Conservancy	\$500,370	Facilitating federal government commitment to Area-Based Management	\$852,515	\$683,446	\$499,484									
		For the development of science and management tools and business and economic solutions to advance marine spatial planning in support of PNCIMA					\$205,063	\$349,879	\$175,205					
		To provide technical support for marine spatial planning and implementation						\$966,578		\$183,897				
		To advance conditions and relationships that facilitates healthy oceans and the use of marine spatial planning in Canada					\$630,988	\$806,250	\$303,914	\$303,914				
		Securing the Protection and Sustainable Use of Canada's Eastern Arctic Marine Environment												\$2,200,000
		In support of ocean planning film screenings in the United States and Canada										\$375,000		
		To support implementation of the marine planning partnership (MaPP) ocean plan								\$250,000	\$250,370			
		Sub-total (US\$):	\$1,664,108	\$3,922,376	\$4,750,068	\$2,740,810	\$5,447,722	\$7,028,596	\$4,881,279	\$8,512,748	\$9,041,244	\$4,343,656	\$556,835	\$2,760,000

Table 17. CAN\$ 25 Million for Purposes Related to Marine Planning (Details)

	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019
Wild Salmon Stock and Habitat Protection in British Columbia	\$120,000													
Reframing marine conservation in British Columbia	\$450,868	\$10,270	\$21,104											
David Suzuki Foundation	\$1,109,092						\$198,740		\$149,055	\$149,055				
Mapping the fisheries management process in British Columbia							\$98,410	\$98,410	\$98,410					
Marine and freshwater conservation program										\$167,051				
To increase the regional market incentives for industry leaders & governments to improve fisheries management practices in B.C.								\$306,714	\$230,586	\$125,187				
To rebuild recreational, cultural and economic sector alliance for conservation in British Columbia.										\$130,599				
To increase management capacity for British Columbia's expanded protected areas network.													\$2,100,000	
B.C. Wildlife Federation	\$662,487													
In support of efforts to protect & enhance British Columbia's existing aquatic habitats														
Bulkley Valley Centre for Natural Resources	\$130,599													
To develop a collaborative approach to collecting, assessing, monitoring and disseminating salmon habitat data and knowledge in the Skeena region of British Columbia.														
Coastal First Nations Council	\$2,100,000													
To enable sustainable shipping.														
Nanwakolas Council	\$560,000													\$560,000
To enable sustainable shipping.														
Pew Charitable Trusts	\$7,250,000									\$1,750,000				
To strengthen the influence of First Nations and other communities in ensuring that resource development decisions protect Pacific wild salmon values of northern Canada.														
To protect ecosystem values of western Canada's boreal salmon watersheds.												\$3,000,000		\$4,500,000
University of Victoria Polis Project	\$950,987					\$172,300	\$177,983	\$168,254						
In support of the water sustainability project at the University of Victoria's POLIS project on ecological governance. Funding will be used to develop and refine governance and policy reform options for sustainable water resource management in B.C.										\$202,314				
To support the University of Victoria's POLIS project on ecological governance to develop and refine sustainable water and watershed management options in British Columbia.							\$33,579	\$196,557	\$250,899	\$250,899	\$151,001			
To strengthen public knowledge of legal avenues to protect wild salmon ecosystems in British Columbia										\$617,346				
West Coast Environmental Law	\$3,020,145										\$500,000			
To strengthen indigenous conservation leadership in B.C.														
To strengthen the opportunities and capacity for protecting wild salmon habitat in British Columbia													\$1,250,000	
World Wildlife Fund Canada	\$1,447,250					\$188,769	\$189,161							
For technical and legal tools that support habitat protection														
Water Diversion - To support efforts to improve protection of ecological flows to address the cumulative effects of water diversion on British Columbia's wild salmon watersheds and formulate action strategies for the 21st century														
To enable sustainable shipping													\$1,069,120	
Nature Conservancy	\$300,000												\$300,000	
To support sustainable fisheries and habitat protection in B.C.														
Ecofisc Canada	\$378,082												\$378,082	
To support sustainable fisheries in British Columbia														
Nature Canada	\$300,000												\$300,000	
To secure Canada's marine conservation targets														
Oceana Canada	\$1,000,000												\$1,000,000	
To enable sustainable fisheries in Canada														
Ocean Conservancy	\$250,000												\$250,000	
To ensure sustainable fisheries in Canada

Table 20. CAN\$ 45 Million Granted to U.S. Organizations for Activism in Canada (Details)

	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	Approved For Future Payment
Round River Conservation Studies, Arlington, Virginia	\$4,445,000	Taku River Watershed \$100,000	\$250,000	\$250,000	\$350,000	\$250,000											
		In support of an integrated approach to the long-term conservation of the wildlife and the wilderness character of the Taku River watershed															
		In support of an integrated approach to the long-term conservation of the wildlife and the wilderness character of the Taku River watershed.															
		Taku River Conservation Project		\$425,000													
		To fund a workshop addressing the role of ecosystem services		\$20,000													
		Taku River Conservation Project			\$475,000												
		Taku Watershed Conservation				\$775,000	\$600,000										
		For work with the Taku River Tlingit First Nation to protect the wild salmon ecosystem of the Taku River watershed through new science-based land use designations, ecologically-based fish and wildlife management regimes, and enhanced First Nations stewardship capacity					\$400,000	\$400,000									
Rivers Without Borders (C/o Tides Center)	\$447,006	Taku River Watershed					\$271,166	\$175,840									
		Taku habitat protection, "Rivers Without Borders" project															
Pew Charitable Trust, Philadelphia, Pennsylvania	\$14,085,000	Silkline Watershed			\$150,000												
		In support of efforts to advance conservation goals and address threats to ecological and cultural integrity in the Silkline River watershed of British Columbia, Canada															
		British Columbia Mining Reform				\$710,000											
		Aquaculture Reform Corporate Campaign				\$875,000	\$625,000										
		By supporting the direct engagement and participation of affected First Nations communities in key decisions, this grant to Pew Charitable Trusts (Canadian Boreal Initiative) is in support of advancing more responsible approaches to mineral exploration and development that protect the freshwater habitat values of B. C.								\$975,000	\$500,000						
		To strengthen the influence of First Nations and to protect the values of the land that inform their development decisions in British Columbia are made in the context of comprehensive land use planning.															
		To strengthen the influence of First Nations and other communities in ensuring that resource development decisions protect Pacific wild salmon values of northern Canada											\$1,750,000				
		To protect ecosystem values of western Canada's boreal salmon watersheds													\$3,000,000		\$4,500,000
Nature Conservancy, Arlington, Virginia	\$1,069,084	Great Bear Rainforest			\$268,714												
		To develop a fundraising campaign for the protection of the Great Bear Rainforest															
		To support implementation of the Marine Planning Partnership (MAPP) Ocean Plan											\$250,000	\$250,370			
		To support sustainable fisheries & habitat protection in BC														\$300,000	
Ecotrust, Portland, Oregon	\$71,186	Skeena								\$71,186							
		To support of compelling spatial data on coastal natural resources and uses dependence on Skeena wild salmon															
New Venture Fund, Washington, D. C.	\$4,042,800	First Nations										\$750,000	\$400,000				
		To support First Nations in protecting North Pacific marine and freshwater resources (through assertion of aboriginal rights)														\$692,290	
		Wild Salmon															
		To enhance the impact and financial resilience of British Columbia wild salmon conservation organizations															
		Consistency Building								\$497,550	\$856,000	\$671,960					
		To support a fund aimed at enhancing the impact and financial resilience of North Pacific wild salmon conservation organizations through use of new tools to diversify their supporter base.															
		To support ocean plan implementation by building coastal community consistencies										\$175,000					

Table 20. CAN\$ 45 Million Granted to U.S. Organizations for Activism in Canada (Details)

		2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	Approved For Future Payment
Green Fire Productions	\$1,174,000													\$347,000				
	Marine Planning Film Documentary													\$827,000				
	In support of ocean planning film screenings on the U.S. mid-Atlantic and British Columbia coast and Canada																	
Ocean Conservancy	\$5,302,151														\$1,052,151			
	Arctic															\$2,000,000		
	To build the foundation for advancing the protection of marine ecosystems in the Canadian arctic																	
	To advance the protection of marine ecosystems in the Canadian arctic.																	
	To advance the protection of marine ecosystems and coastal communities in the Canadian Arctic												\$1,256,956					
	To ensure sustainable fisheries in Canada																\$2,000,000	
	To consolidate Skeena wild salmon harvest reforms and habitat protection, while strengthening the organizational resilience and long-term informed engagement of communities																	
Wild Salmon Center, Portland, Oregon	\$1,585,336																	
	Skeena																	
	To provide a high quality tool-kit and coordination infrastructure for use by ENGOs in their campaigns to shift consumer and retailer demand away from farmed salmon		\$310,000	\$250,000														
SeaWeb, Washington, D.C.	\$560,000																	
	Salmon Farming																	
	Salmon Aquaculture A Markets Campaign for Reform			\$525,000														
National Environmental Trust, Washington, D.C.	\$1,525,000					\$500,000	\$500,000											
	Salmon Farming																	
	Salmon Aquaculture Project																	
Aquaseed/SweetSpring Salmon Inc., Seattle, WA	\$1,640,474								\$785,018	\$500,000								
	Salmon Farming																	
	To demonstrate technical and financial feasibility of on-land closed containment aquaculture technology. The funds will support construction and operation of a recirculation coho salmon production system in Rochester, Washington, and related research about production factors.																	
	To demonstrate technical and financial feasibility of on-land closed containment aquaculture									\$205,456	\$150,000							
The Conservation Fund, Arlington, Virginia	\$1,750,000																	
	Salmon Farming																	
	To undertake a 24-month research project growing Atlantic salmon to food size in an existing freshwater closed containment research facility, and to disseminate best practices and other findings to support improved decision-making about land-based aquaculture in British Columbia								\$199,164	\$205,903	\$94,933							
	In support of research to identify the conditions for optimal salmon production in environmentally secure recirculating aquaculture systems										\$755,000	\$245,000						
	To support technical and advisory services to land-based closed containment aquaculture stakeholders												\$147,724	\$102,276				
Institute for Journalism & Natural Resources, Missoula, Montana	\$125,000																	
	Great Bear Rainforest																	
	Rainforest to learn first-hand about the region's complex issues and solutions.																	\$125,000

Table 24. World Wildlife Fund Canada: CAN\$ 17 Million from The Gordon & Betty Moore Foundation (2006 - 2019)

		2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	Approved	
Marine Planning	World Wildlife Fund Canada (WWF-Canada) is using this grant to foster relationships with key stakeholders in the northern region of British Columbia's Pacific North Coast Integrated Management Area (PNCIMA) process. WWF-Canada is also working to build the capacity for an objective marine science organization that provides hub of marine ecosystem knowledge in British Columbia, the Pacific Marine Analysis and Research Association (PacMARA). Outcomes for this grant include regional stakeholder support and participation in the PNCIMA process, with PacMARA elevated to an independent, accessible, and multi-stakeholder science organization.	\$1,656,083	\$492,290	\$526,081	\$437,712
