Dear Ms. Krause:

Thank you for your letter dated November 26, 2010. Your letter is asking several questions about business matters of third parties and as such I would encourage you to contact them for your answers.

Let me just say here that the documents you reproduced on myself are publicly-filed campaign records and already publicly disclosed, as I am committed to open and transparent disclosure of financial information, in furtherance of statutory requirements.

With respect to your question about a city supplier, I have referred your question to our City Manager, who will be happy to provide you with information on the City of Vancouver's procurement process on this matter.

Thank you so much for your inquiry.

Sincerely,

Gregor Robertson  
MAYOR
