Dear Mr. Mackay-Dunn,

I am writing with an inquiry about the arrangements that were made for a Vancouver Board of Trade event at which I gave a presentation, several years ago, on June 5 of 2012.

In particular, I would like to ask whether senator Mike Duffy was involved in any way. To the best of my knowledge, Mr. Duffy had no involvement whatsoever in any of the arrangements nor in the financing of this event. If Mr. Duffy did have any involvement about which I was previously unaware, I would appreciate it if you would please let me know.

Sincerely,

Vivian Krause
