Good Morning,

At [this link](#), please find the data you requested. The dataset, which is current as of September 7, 2017, contains information pulled from Form T3010, Registered Charity Information Return, as submitted by Sea to Sky Foundation (the Foundation) for its 2006 fiscal period.

The dataset identifies various line numbers from Form T3010, some of which have changed over time. Therefore, for your ease of reference, we are also providing a copy of the version of the Form T3010 that was in use during the specified period, so that you may cross-reference the line numbers in the dataset. We have also included spreadsheets that contain relevant indexes of registered charities' category, designation, program, province, and country codes, as these values are also found in the dataset. Where the Foundation did not complete a given line, section or schedule, those fields will be blank in the dataset.

As with all datasets provided by the Canada Revenue Agency (CRA), please note that this data may have been manually entered by the CRA, and that it has not necessarily been verified for accuracy or completeness by the CRA's Charities Directorate. Statistics and data are produced or compiled by the CRA for the sole purpose of providing the public with direct access to public information about registered charities in Canada. The CRA is not responsible for the use and manipulation by any persons of this information.

Thank you,

Nina Ioussoupova

Hi Christopher,

Since the document itself is unavailable, could you please provide the data itself, the dollar figures, etc. from the CRA's digital database?

Thanks,

Vivian
